

Paul Gray – Far and Away our Best Choice

Why me?

- **A Proven Track Record of Hard Work:** Over the past decade, I've been dedicated to delivering for our party—helping others succeed and, in the last three years, leading the charge to turn Hayling West yellow.
- **Strategic Leadership That Delivers Results:** My three-year strategy brought together similarly minded parties across the borough, giving us power in Havant and proving we can achieve more when we work together.
- **Unmatched Electability:** I've built trust and personal connections with Islanders, earning their votes even when they wouldn't vote for our party. In May 2024, we made Hayling West a completely Liberal Democrat ward, winning all three seats by a landslide.
- **Collaborative Alliances:** My relationship with Mark Coates (Labour) is a key advantage. If I stand, he won't, clearing the path for us to win. This isn't just about me; it's about ensuring our party's success in this election.

Momentum and Stability: I'm proud to lead a team of professional campaigners and passionate volunteers who are committed to our shared vision. Together, we've transformed Hayling West and earned the trust of Islanders.

- **Experience That Counts:** Having stood for Parliament twice and successfully fought local elections, I know what it takes to win and to represent our community effectively.
- **A Proven Track Record of Success:** In May 2024, we achieved a historic milestone by making Hayling West a completely Liberal Democrat ward for the first time, winning all three seats. This followed my initial election in 2023, where I increased our vote share by over 260% since 2021, breaking a long-standing Conservative stronghold.

These victories weren't just about me — they were about us working together as a party and as a community. Our innovative, community-driven campaign strategy brought real change to Hayling West, proving that when we listen to residents and act with purpose, we can achieve the extraordinary.

A Golden Opportunity

This year, we have a real chance to remove Lance Quantrill.
With me as your candidate, we can make it happen. Let's keep Hayling moving forward together.

Vote for Paul Gray – because the best choice is clear.
