

# Manifesto of Jonathan Hulls for the seat of North West Havant in the May 2025 Hampshire County Council Elections

If Chosen as your Liberal Democrat candidate for North West Havant, my belief would be in building a community that works for everyone. Together, we can create a fairer, greener, and more prosperous future for our area. My manifesto outlines the key priorities I will champion as your representative on Hampshire County Council, if selected and successful in May.

## 1. Investing in Local Services

- **Protect essential services:** Fight against cuts to services that matter most—schools, social care, and public health.
- **Support for education:** Push for fair funding for local schools and enhanced resources for teachers and students.
- **Improved health services:** Advocate for better access to GPs and mental health services locally.

## 2. Tackling the Cost of Living Crisis

- **Support families and households:** Campaign for targeted support for families struggling with rising costs, including affordable childcare and housing.
- **Cutting energy bills:** Promote energy efficiency schemes and renewable energy initiatives to help reduce household costs.
- **Support for small businesses:** Work to secure funding and opportunities for our local businesses, helping them thrive in challenging times.

## 3. A Greener, Cleaner North West Havant

- **Protect our green spaces:** Fight against overdevelopment and champion sustainable planning that prioritizes our environment.
- **Sustainable transport:** Advocate for better public transport, safer walking and cycling routes, and reduced traffic congestion.
- **Tackle climate change:** Push Hampshire County Council to take bold steps toward net zero by investing in renewable energy and green infrastructure.

## 4. Strengthening Local Democracy

- **Listening to you:** Commit to regular community forums and open communication to ensure your voice is heard.
- **Holding the council accountable:** Challenge wasteful spending and demand transparency in decision-making.
- **Working together:** Collaborate with local organizations, charities, and residents to build a stronger community.

## 5. Building Safer Communities

- **Safer streets:** Work with police and local groups to reduce crime and anti-social behaviour.
- **Youth opportunities:** Invest in youth services to provide activities, support, and opportunities for young people.
- **Road safety:** Push for better maintenance of roads and pavements and for action on speeding hotspots.

It is crucial that the selected candidate has the capacity to deeply engage with the intricate challenges confronting a struggling County Council, without being diverted by leadership roles within both the Party and Local Council, which demand significant time and energy to effectively manage.

**I always stand by the 3Cs; Clarity, Collaborate and Communicate.**

Please feel free to contact me anytime at 07472 285569 or via email at [cllr.jonathan.hulls@havant.gov.uk](mailto:cllr.jonathan.hulls@havant.gov.uk) to discuss the matters above or any questions you may have.

**Together, we can make North West Havant a better place to live, work, and thrive.**
