

LIB DEM Candidate

for the Tadley and Baughurst Division

KERRY MORROW

Dear Member

I have been extremely fortunate to be part of the incredible success we have achieved locally for the Lib Dems; I haven't and will never take that for granted.

After family, I have always prioritised the party and our community. Now, with greater flexibility in my work, I am ready to dedicate the time and commitment essential for a successful campaign.

I have the passion and drive to lead a hard-fought campaign, along with the skills to utilise available tools to ensure its success.

I will continue to listen to my colleagues' words of wisdom to come up with the right messaging and build a strong canvassing team.

My number one focus, if elected, will be managing casework and campaigning for improvements locally.

Best wishes

Kerry Morrow

Cabinet Member for Sport,
Leisure & Culture
Tadley North, Kingsclere
& Baughurst

Liberal
Democrats

Why select me?

Enthusiastic, caring & committed

I am in this for the long run to improve the standard of local politics in our area.

Community - County would offer opportunities to expand my community work and increase casework, building residents' trust in the Lib Dems.

Parish Councils - I have worked with Tadley Town Council and parish councils in the division for three years.

Team player - I strongly believe that all party members should be kept informed and have an input into the decision making process at an early stage.

Strong communication skills - listening and engaging with all our residents.

Strong voice - at the cabinet-level, I have stood up to experienced councillors on important matters and earned their respect.

Future - the government's devolution plans could merge our Borough and County. A term at County is vital for my development.

Manifesto:

My priority is meeting the needs of the residents in the Tadley & Baughurst division and supporting the community.

Efficient management of casework.

Making sure I am available and keeping up to date with my responses.

Better Recycling.

As a cabinet member, I have successfully argued for changes to our waste collection contract that will increase recycling rates in the Borough. As your County Councillor, I will fight to bring forward improvements to our waste sorting facilities and push for more recycling options.

Introduce a wellbeing referral app.

This project will improve the health and wellbeing of our residents.

WINNING ON THE DOORSTEP

I'm an organised and effective canvasser & have the flexibility to reach a lot of doors.
