

Philippa Gray

A strong candidate for NW Havant

1

AN EXPERIENCED CAMPAIGNER WITH A STRONG TRACK RECORD

I have worked since 2015 to build Liberal Democrat support in Bedhampton and North West Havant. With your help, I was elected as ward councillor in 2023, and topped the poll in the all-up election earlier this year. I am proud to be part of the coalition that broke Conservative dominance, in Havant and took control of the county. I am now Deputy Leader of Havant Borough Council.

A REAL COMMITMENT TO OUR COMMUNITY

Since 2015, I have been a full-time volunteer, working hard to enhance the quality of life for all residents. Alongside being secretary and then treasurer for Havant Liberal Democrats, I have been treasurer of Bedhampton Community Centre and a committee member of Havant U3A. I have campaigned for a fair voting system through Make Votes Matter, and actively promoted repair and recycling through Repair Café Havant and Havant Library of Things.

FIGHTING FOR HAVANT ON THE COUNTY COUNCIL

Due to a lack of leadership and future planning by the Conservatives, Hampshire is in serious trouble. The Liberal Democrats know how to deliver real solutions to the county's financial problems. The Liberal Democrats are the best place to end Conservative control of the County Council. If selected to fight North West Havant I have the energy and the experience to be a voice for North West Havant on the County Council. At risk are road maintenance, buses and transport, waste centres, school meals, libraries, and museums.

AND MORE....

Southern Water plan to recycle sewage at Broadmarsh. I have campaigned against this ever since it was announced. I am calling on Southern Water to focus on stopping dumping sewage in Langstone harbour now, instead of pursuing an over-ambitious scheme that no one wants.

As a long-term resident in our area, I have the knowledge and time to do an excellent job for the whole of Havant. A vote for me is a vote for a stronger local party.

Contact me if you would like to hear more about my achievements and priorities.
